CARING FOR CITIZENS OF ALABAMA

Dear Community Stakeholder,

Caring For Citizens of Alabama is a 501(c)(3) tax-exempt organization with the *mission to holistically improve the lives of at risk and under-served citizens across Alabama*. We serve people of all ages from birth to death, beginning to end. Our services are designed to heal those broken by poverty, abuse, and homelessness. Simply put, we want to make people whole. Since our inception in 2016, we have positively impacted more than 850 households through our efforts in hunger relief, homelessness prevention, and job placement services.

We seek to offer these supportive services to Montgomery County's most vulnerable populations on a full time basis. Our desire is to help 250 unique individuals by year's end. However, we cannot accomplish this goal without help from the local community. Please consider supporting us by donating time, money, or products. Every **\$1000** raised helps one family to avoid homelessness. If you are a retired professional, enjoy clerical work, or like to be around people from all walks of life consider volunteering with Caring for Citizens of Alabama. We also gladly accept interview clothes, toiletries, non-perishable food, computers, printers, phones, and more.

Additionally, you may become a Care Partner. Care Partners are organizations and individuals with shared vision leveraging resources for the greater benefit of Montgomery. Current Care Partners include The Church on the Road, Mid-Alabama Coalition for the Homeless, Legal Shield, and ERA Real Estate. To become a Care Partner or make a donation contact us today at (334) 280-0200 or email elonmiree@gmail.com.

Your support is greatly appreciated!

Sincerely,

Elon Miree

President

Caring for Citizens of Alabama
